## Part of PAG's Engine Services

Prime Turbines (PTS) has been serving Business, General, Military, and Agricultural aviation fixed and rotor-wing aircraft for over 30 years. With the flexibility to customize maintenance, as well as provide standard services, Prime provides solutions that fit customer needs.

PTS offers expert field support on all engines we service. Whether AOG at your home base or stranded in a remote location, we are ready to support your engines 24/7/365 and get you back in the air as quickly as possible. During normal business hours call +1.972.406.2100 or visit [primeturbines.com](http://primeturbines.com).
